

Where to put badges on your uniform

Staged Badges

The staged badges (the blue ones with purple edges) follow you throughout your time as a Scout these **CAN** be worn on Beaver, Cub, Scout or Explorer uniforms. Once you complete one award, you can start working towards the next one. You wear the highest award for each staged activity badge on your uniform. The level of the award is shown as a number at the bottom of the badge.

While at Cubs you will be working towards your stage 2 and (possibly) 3 in Emergency Aid and we will give you the opportunity to get lots of nights and hikes away. If you play a musical instrument or enjoy swimming or IT let one of the leaders know as you may be able to get these staged badges by bringing proof of your achievements to us.

Lower-numbered staged activity badges can go on a camp blanket, if you have one, once you remove them from your uniform.

Joining-In Award

The joining-in award, is awarded on the anniversary of you joining The Scouting Movement. It is common to take only the most recent award from your Beaver uniform and add it to the Cub Uniform, older badges can be worn if desired or sewn onto a camp blanket.

Beaver Activity and Challenge Badges

The yellow activity badges with blue edges and red challenge badges are just for Beavers. Cubs have their own activity and challenge badges to earn, we'll be working hard to help you fill your uniform with the Challenge badges. You may also like to look at the [Scout association's website](#) to see if there are any badges like Animal Carer, Book Reader, Hobbies or Home Safety that you might like to do on your own.

Your Beaver activity and challenge badges can go onto your camp blanket if you have one.

Moving on Award

This is awarded to Cub Scouts when they join the pack if they have previously been a member of a Beaver Colony. This will be awarded when they are invested.

Chief Scout Bronze Award

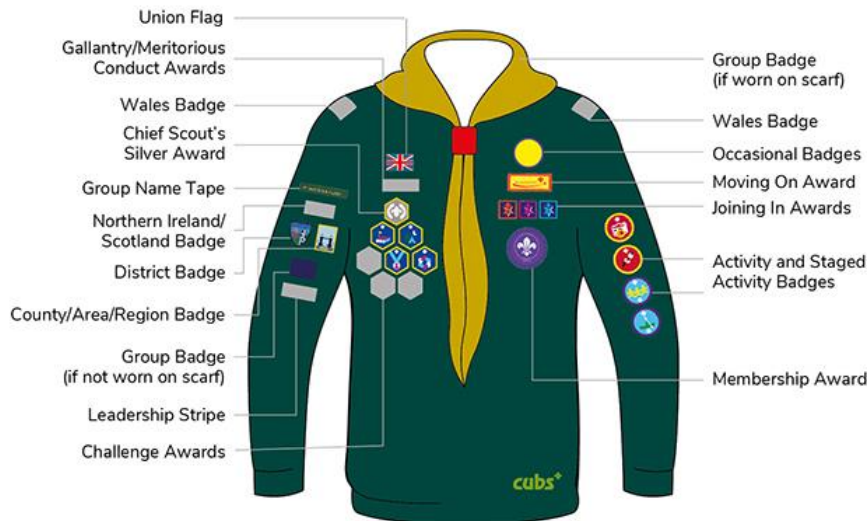

Getting your Chief Scout Bronze award is a big achievement in Beavers and you **CAN** wear this on your Cubs uniform, but only until you get your Chief Scout Silver award. If you didn't quite get your Chief Scout Bronze Award at Beavers, let your cub leader know as soon as possible because you may be able to complete it within the first few weeks of being a Cub!

The Chief Scout Bronze award goes on the same place on the Cubs uniform as it did on the Beavers uniform, on the right hand side of your chest.

Moving from Beavers to Cubs

If you're moving up from Beavers into Cubs, you'll probably have an armful of badges and you'll be reluctant to see them go. There is some good news here, some of the badges can be worn on your Cub uniform!

Badges to move

When you are invested you will get a new set of group badges which will include:

- Scout membership badge (purple badge on the chest)
- Anderton St Joseph's name tape
- County / District badge
- Group scarf badge and necker

The following badges should be taken off the Beaver sweatshirt and put into the same place on the Cub sweatshirt:

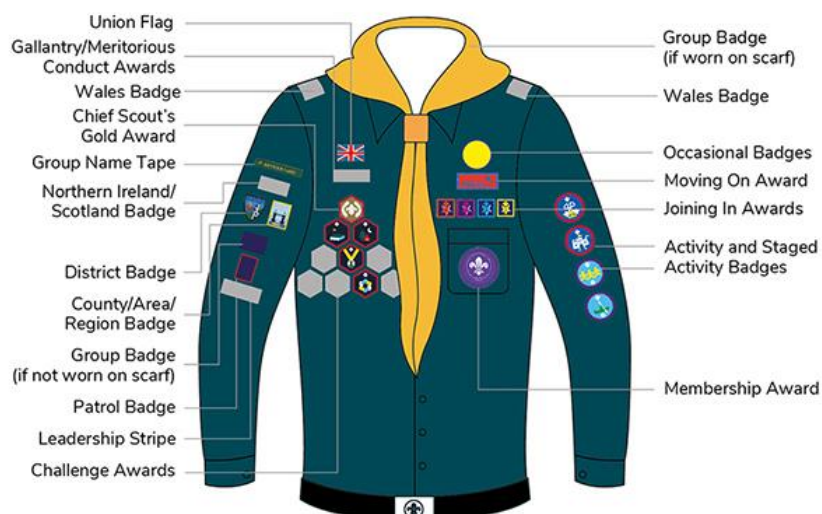

- The highest Joining-In Award (numbered – all worn or just highest) [if gained]
- Chief Scout's Bronze award [if gained]
- Staged Award Badges (blue numbered badges with purple borders – highest worn) [if gained]
- All other badges, including the challenge awards, can be sewn onto a camp blanket (if they have one)

If you haven't finished the steps for the Chief Scout's Silver Award when you're ready to move on to Scouts, you can finish them during your first term in the Scout Troop.

When you become a Scout, you can wear your Chief Scout's Silver Award on your uniform until you earn your Chief Scout's Gold Award.

Moving from Cubs to Scouts

When you are invested you will get a new set of group badges which will include:

- Scout membership badge (purple badge on the chest)
- Anderton St Joseph's name tape County / District badge
- Group scarf badge and necker

Badges to move

The following badges should be taken off the Cub sweatshirt and put into the same place on the Scout shirt/blouse:

- The highest Joining-In Award (numbered – all worn or just the highest) [if gained]
- Chief Scout's Silver award [if gained]
- Staged Award Badges (blue numbered badges with purple borders – highest worn) [if gained]

If you haven't quite completed the challenges for the Chief Scout's Gold Award when you leave Scouts, you can complete them in your first term in the Explorer Unit.

You can wear your Chief Scout's Silver Award on your uniform until you achieve your Chief Scout's Gold Award.
